Test Code: 938251

Design description:

This poster is designed to remind people to be cautious when facing the virus and encourage them to defeat the virus together. There are two 3D model of microorganism which represents the virus. The text at the right top corner is to encourage people to fight the virus together. The image at the center is two swords which draw by me to defeat the virus. The slideshow beside is showing the steps of washing hands and remind people to wash hand frequently and cautiously. At the left bottom corner is a website to get the latest news to Covid-19.
